Bright-er than the bright-est gem  
Offer - ings rich are made by them  
And on us as well as them

Bright-er than the bright-est gem  
Offer - ings rich are made by them  
And on us as well as them

Brigh - ter than the brigh - test gem Shines the star of Beth - le - hem  
Offer - ings rich are made by them To the star of Beth - le - hem  
And on us as well as them Shines the star of Beth - le - hem

Brigh - ter than the brigh - test gem Shines the star of Beth - le - hem  
Offer - ings rich are made by them To the star of Beth - le - hem  
And on us as well as them Shines the star of Beth - le - hem

Bright - er than the bright - est gem Shines the star of Beth-le - hem
